Christian Curriculum

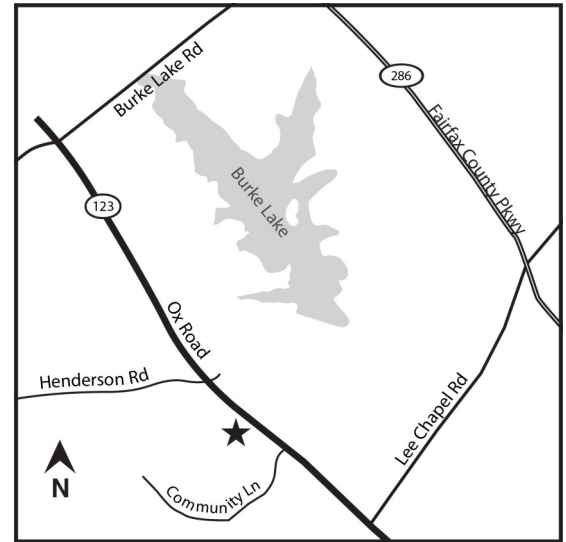

Children begin the process of building their faith in God during these formative years.

We believe our Greentree Christian

Preschool Kindergarten curriculum, will continue to build upon the foundation our students received while attending preschool classes. The Christian Curriculum is integrated throughout the entire day and incorporates the teachings of Jesus Christ. We strive to foster an environment and strong personal foundation upon which our students will build the rest of their lives. We use Galatians 5: 22-23, the "Fruit of the Spirit" scripture, to reaffirm Christian values.

Our Kindergarten

Children learn best when they are fully engaged and active participants in their learning process. Our program places an importance on creating a positive start to education in a strong Christian based, hands-on learning environment. Here children will have fun learning through participation in Morning Meeting, Learning Centers, theme related activities, Bible class, chapel, music, art, tumbling, and many more learning opportunities, creating a fun-well rounded program of excellence.
