

Although kids' worship and programs are canceled for now, we want to share some ways you and your family can engage with us from your home.

Each week, we will post a link to worship videos with music and an age-appropriate Bible Story. We will also include a family guide with activities you can do together. The links will be available on the Christ Church Kids Facebook page and on the [Christ Church website](#).

Engage with us via Facebook where we will be posting resources such as fun activities, lessons, family challenges, information and encouragement for our families! The DIY Family Challenge has already begun but there's still time to collect points and win a prize.

Lastly, let's stay in touch by reaching out via email, text or phone to check in with one another. Our Christ Church family is stronger together.

**1.**

**Watch  
the weekly  
video  
lessons**

**2.**

**Engage  
with us  
on  
Facebook**

While we are apart, we still want to have some of the community that worshipping together provides. Each week, after you do the lessons, please comment on the Christ Church FB page and share what your family is doing!

We are praying for you. If you need anything, please reach out. We are here for you!

**3.**

**Keep  
in touch via  
email, text,  
or phone**
