Please label the inside of your child's backpack and lunchbox. Children will be given Greentree tags for their backpacks and lunchboxes. The tags will have their first name and last initial, this will help teachers and substitutes identify your child's backpack and lunchbox. Some of the requested items will be used to stock our Shelter in Place provisions, should we experience a natural or man made disaster and have to shelter within the church building. These items will be used for the end of the year fieldtrips, should we not have need for them during an emergency situation.
